

To Whom It May Concern,

Subject: OEM Compliance Declaration for iPhone 16 Pro (256GB) and MacBook Air with M4 Chip  
Issued for: Universal Traders E-451 Second Floor Greater Kailash part 2 Delhi-110048

This is to certify that the following Apple products:

Apple iPhone 16 Pro – 256GB variant

Apple MacBook Air – equipped with the Apple M4 chip

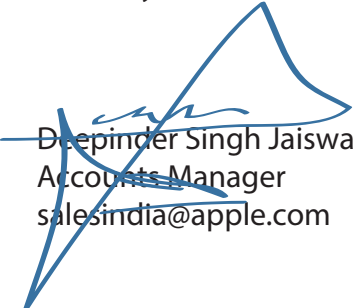

are original Apple-manufactured items, and fully comply with all relevant Apple specifications, environmental standards, and regulatory requirements applicable within the Republic of India.

These units are brand new, factory-sealed, and sourced through Apple-authorized channels. They are covered under Apple's standard warranty and support policies. No third-party modifications have been made to either hardware or software.

This compliance certificate is being issued specifically for the reseller:  
Universal Traders  
E-451 Second Floor Greater Kailash part 2 Delhi-110048

Please feel free to contact the undersigned for any clarification or additional information.

Sincerely,

Deepinder Singh Jaiswal
